To Liskeard town area.

To A390 towards A38 Plymouth/ Bodmin

From Carlon Way turn right into Tregay Lane at this crossing point.

Unfortunately, there are no road signs!

Please park on Tregay Lane right outside the wall of 'Fearnley'.

Enter the clinic on the left [white door] with 'Fitfile' sign.

Please do not obstruct our neighbours red garage door.

We strongly advise the following route:

From A390 'Clemo Road' near Aldi or the Hospital travel north on the A390 [direction Callington] to the roundabout at Clemo Road / A390 / Addington Road / Carlton Way.

Take the exit into <u>Carlton Way</u> [into the new Persimmon Homes development called 'Trevethan Meadows']. Travel down through Carlton Way until you reach speed humps in the road at the crossing point with Tregay Lane [photograph top of page]. Turn sharp right into Tregay Lane [this looks like a footpath and there are no road signs!] After 300m and we are located on the left at a property named 'Fearnley' (a white house on the lane with a blue front door.)
